SPECIAL INSTRUCTIONS

Symbols [S] and [F] designate changes of tempi. Tempi are chosen from within the following spans:

[S] ♩ = 100-116

[F] ♩ = 120-144

Once a tempo is chosen, it should be maintained until the next designated tempo change. In cases where identical symbols are adjacent, i.e., [S] [S] or [F] [F], tempo changes are optional. In such a case a tempo may be maintained for two sections if desired.

In general, brasses should play with a "brassy" sound.
